DEALER STAMP

# WELCOME TO HYVA

**Hyva Group is a leading global provider of innovative and highly efficient transport solutions for the commercial vehicle and environmental service industries.**

The company is committed to the development, production, marketing and distribution of components used in hydraulic loading and unloading systems on trucks and trailers.

Our products are used worldwide across a range of sectors including transport, construction, mining, materials handling and environmental services providers.

Hyva's portfolio comprises: Tipping Solutions (cylinders and tipping gear), Container Handling Systems (hookloaders and skiploaders), Waste Handling Systems (transfer stations, compactors and refuse collection bodies), Floors (horizontal unloading/loading floors) and Cranes (fixed and rolling).

**Hyva: Your Trusted Partner.**

# OUR COMPANY

**Founded in 1979 in The Netherlands, Hyva has significant manufacturing facilities in Brazil, China, Germany, India and Italy.**

Operating in more than 130 countries the company has more than 2,000 employees around the world, encompassing 39 subsidiaries and 13 production facilities.

Hyva products are now recognised as clear leaders in their fields. Our development engineers combine a unique blend of experience and expertise. They know what works, and what will still be working in 10 years time. Hyva products are fully certified to quality standards ISO9001:2008 and ISO14001:2004.

A core part of Hyva's culture is to lead our industry by introducing new products with new ideas and new specifications.

The latest TITAN hookloader is the perfect example of our continuous self - improvement. Easy to install and easy to use, its features and benefits are unequalled.

Working closely with over 25,000 customers in 130 countries offers us a huge source of knowledge and experience - and hence a unique opportunity to continuously improve the products we offer. Our local application engineers understand all the various market and legal requirements, and are therefore your key advisors for optimum product selection.

Yet Hyva is much more than its products alone. Customer care is also fundamental. As a result, our Hyva Care programme provides a comprehensive range of after-sales support services.

**Hyva: The Complete Solution.**

# TITAN HOOKLOADERS

## The Most Advanced Hookloader Available

Further enhancing Hyva's track record for innovation and versatility, TITAN is the most advanced hookloader available today.

Thanks to TITAN's range of advanced features and user benefits, hookloader operation is now faster, safer, more efficient and more productive than ever.

**TITAN. For Work Without Limit.**

### Key Facts:

- The most technically advanced hookloader available
- Fully bolted construction for easy installation and maintenance
- Efficient and speedy operation
- Fully integrated safety features as standard
- High quality, factory finish anti - corrosion paint
- Widest range of options

HYVA Equipment			Truck Chassis		Container
Model	Lifting Capacity	Type	GVW	Axles	Length(min-max)
T12	12 Tonnes	S	14-18 Tonnes	2	3.4-6.4m
T14	14 Tonnes	S	16-20 Tonnes	2	3.4-6.6m
T16	16 Tonnes	S	18-26 Tonnes	2/3	3.6-6.8m
T18	18 Tonnes	S	22-30 Tonnes	3	3.7-7.3m
T20	20 Tonnes	S, SK	26-32 Tonnes	3	3.1-7.6m
T22	22 Tonnes	S, SK	26-35 Tonnes	3/4	3.1-7.6m
T26	26 Tonnes	S, SK	30-37 Tonnes	4	3.1-7.6m
T30	30 Tonnes	S, SK	35-40 Tonnes	4/5	3.4-7.8m

Fully electronic controls (IQAN) make operating TITAN easy, fast and safe

Alternative, easy to exchange hooks adapt to industry's needs

TITAN's width - adjustable AutoSheet is a popular option in many markets

Fully bolted construction improves chassis installation and makes maintenance easy

TITAN's lifting cylinders are lighter, more powerful and faster in operation

'Combi' locking system secures all types and sizes of containers

Reduced height rear geometry makes loading containers easier

Galvanised rollers and bracketry resist corrosion

High quality anti-corrosion paint helps keep TITAN looking and working at its best

TITAN's forged yokes provide extra strength and durability

The Hyva name is trusted all over the world

# TITAN IN SERVICE

Recycling

Large scale recycling plants need a constant stream of incoming materials. TITAN delivers those goods with outstanding performance and reliability.

Environment

Hyva hookloaders are a first choice with providers of public services such as utility companies and government organisations.

Construction

Strength, durability and an improved payload make TITAN the preferred choice for companies working in construction.

Agriculture

Hyva hookloaders are commonplace in agriculture, moving machinery or for demountable tipping trailers filled with crops.

# HYVA CARE

## Right Up Your Street

Hyva is committed to providing excellent service. With a customer base of 25,000 customers and activity in 130 countries we know how to provide full back up for our customers and dealers.

We have built an international sales and after-sales service network of own subsidiaries, service partners and dealers who have the capability to provide the best transport solutions and provide world class after sales service through Hyva Care approved service workshops.

Hyva Care starts with a commitment to offering the best possible warranty across our full product range. We also offer customised, low cost repair and maintenance contracts to keep your equipment operating at its optimum and unplanned downtime to the absolute minimum.

Operating hookloaders is a hard business conducted in challenging environments. By reducing unplanned downtime and expenditure to the minimum, Hyva Care makes everything that bit easier.

## Hyva Care – At Your Service.
